EXPERIENCE PLAYTIME

Global Play Leader

PLAYTIME® is the global leader of unique water play experiences. We are experts in using play to enhance the customer journey by providing a distinctive water experience for indoor and outdoor locations.

We are a creative design and manufacturing company innovating the world of play—in and out of the water. We have designed projects of all themes and styles in a variety of forms within safe and inspiring environments. All of PLAYTIME's creations are designed and fabricated at our cutting-edge facility in Colorado.

Stock & Custom Designs

PLAYTIME helps you increase attendance by creating immersive entertainment experiences proven to differentiate the overall visit from your competition, attract a primary customer demographic, and increase visitor frequency.

We achieve this through a turn-key process from collaborative custom design to full build-out of unique and innovative water play environments that are perfect for your individual space, and help you maximize the complete customer experience for families.

Hydro-Tuff®

PLAYTIME finishes its water play elements with UV – and chlorine-stable, abrasion-resistant, Hydro-Tuff coatings. PLAYTIME's Hydro-Tuff is specifically designed for environments that require resistance to high acid and alkali (chlorine) conditions.

WATER WALK SYSTEMS

PLAYTIME turnkey Water Walk Systems include:

4 Column WaterWalk System

- Support Columns
 - Powder Coat Finish
 - Custom Theme Finish
- Overhead Cargo Net
- Floatables
- Floatable Anchor Kits
 - Includes: Chains, Chain Covers, Connectors, Cup Anchor and Eye-Jaw Swivel
- Turndown Pool Edge Pads
- Engineers Stamp

2 Column Water Walk System

- Support Columns
 - Powder Coat Finish
 - Custom Theme Finish
- Overhead Single Rope
- Floatables
- Floatable Anchor Kits
 - Includes: Chains, Chain Covers, Connectors, Cup Anchor and Eye-Jaw Swivel
- Turndown Pool Edge Pads
- Engineers Stamp

As no two pools are the same, we will work with you to design and provide a turnkey Water Walk System that complements your facility and fits within your budget.

FLOATABLES

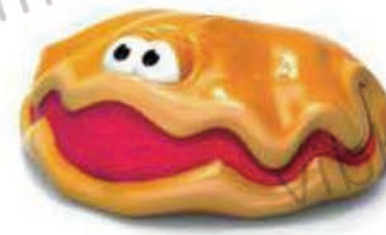

Floatable fun

- Recommended 36-60" water depth.
- All floatables require 1or 2 anchor points embedded into concrete floor.
- All necessary installation hardware may be purchased separately.
