SWINGING HAMSTER BALL & FUN TUMBLING CAR

SWINGING HAMSTER BALL

EXPERIENCE | ORIGINALITY | INTERACTION

Parent-child interaction

Novel appearance

Flexible venue

How to use

Swinging hamster ball can accommodate up to 2 adults and 1 child. Visitors control the joystick to advance, reverse, turn, etc. You can experience the pleasure of shaking from front to back, left to right, and collision with each other. Experience the fun of interactive collisions like bumper cars.

Three view

Enhance parent-child communication

Novel appearance with high identification

Strong site adaptability and wide operating

FUN TUMBLING CAR

Size: L1750×W1400×H1400mm
 Power: 300W×2
 Weight: 220KG
 Load Weight: MAX 200KG
 Battery: 48V20AH

Product Description:

The products are products of structure, material, appearance and electronic control multi-professional collection. All aspects are in the leading position in the industry. The mechanical connection and structure are neat, the partition and function are clear; the appearance is cylindrical structure, the design is novel and unique, and it has extremely high attraction. Degree and recognition; this product is a new design, technology, providing a new operational solution for the customer's site, will create a new range of amusement facilities, and lead the future development trend of this category.

Instructions for use:

scenes to be used:
 square
 Beach park
 Playground

Product Details:

inverted button

Joystick

handle

Tumble button

Seat

Safety buckle

- A: Joystick**
The moving direction of the rolling car is controlled by the joystick, and the operation is simple and flexible.
- B: Rolling and inverted button**
Easy to operate with one button roll and inverted

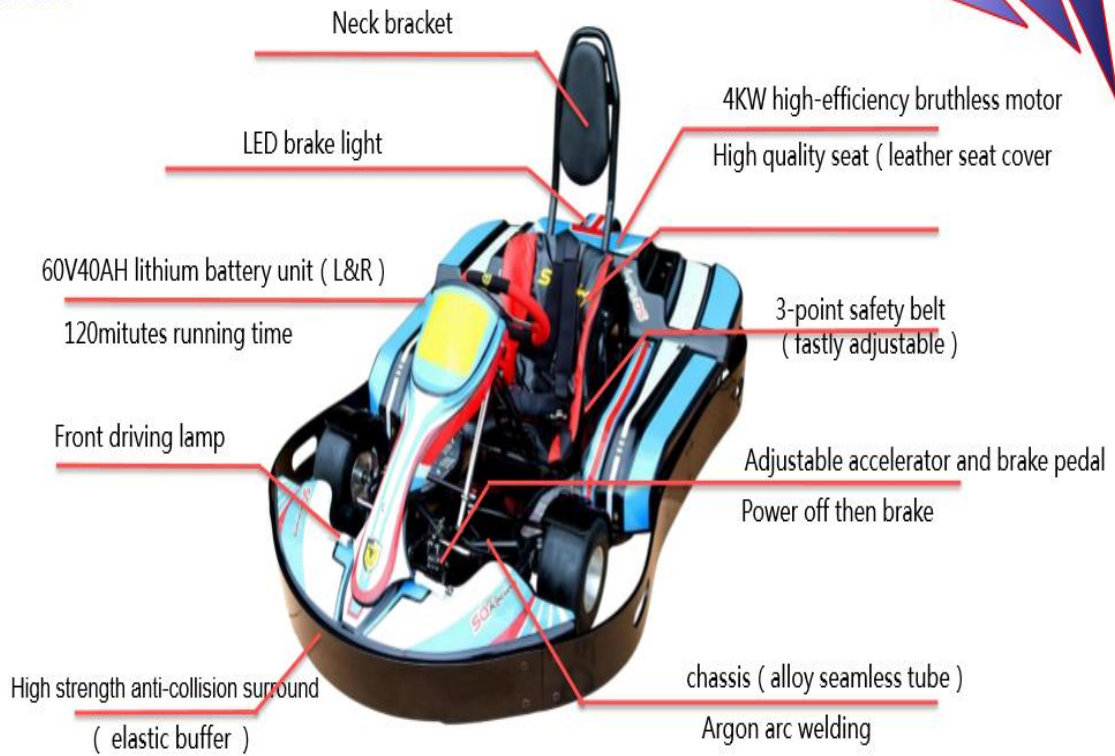

The equipment project is unique, novel, joyful, and experiential, and has a high interactive nature.

- We thank you for this opportunity and look forward to setting up your Game Zone.
- Our Delivery timelines will be ranging from 40 days to 70 days depending on the manufacture and import needs of the products under consideration. Any delay caused due to unforeseen circumstances will be intimated in advance.
- Payment of 50% of the order value will be needed as token advance for confirmation of order. Payment terms stated by us should be honoured to ensure the proper delivery of products.
- Our Installation team comprises of highly skilled, experienced and trained professionals, hence ensuring a smooth installation process to the customer.
- We are always available to address any post sale concerns and endeavour to provide prompt assistance.
- Wishing you the best of luck on this project and look forward to a good business relationship with you.
